

Your parents  
can't tell you  
what to do.

Fortunately your calendar can.

Communication and collaboration just got easier. Get Google-powered email, calendars, document sharing, websites, and IM with Google Apps, now available at your school.

# Tired of deleting messages to stay under quota?

Good thing you now have 7GB worth of free email storage. (And growing.)

Communication and collaboration just got easier. Get Google-powered email, calendars, document sharing, websites, and IM with Google Apps, now available at your school.

# Missed a crucial lecture?

Your classmate can easily share her notes using Google Docs.  
Talking her into it, of course, might be another story.

Communication and collaboration just got easier. Get Google-powered email, calendars, document sharing, websites, and IM with Google Apps, now available at your school.

# Videos?

# Images?

# Gadgets?

# Docs?

No experience? No problem.

Embrace your inner webmaster and build your dream page with Google Sites.

Communication and collaboration just got easier. Get Google-powered email, calendars, document sharing, websites, and IM with Google Apps, now available at your school.

# Feeling lucky?

You would if you were using Google Apps. Now available at your school.

Communication and collaboration just got easier. Get Google-powered email, calendars, document sharing, websites, and IM with Google Apps, now available at your school.
